Recycling in Otsego County is taking a step up with the introduction of our new electronic recycling collection facility. We were able to fund the building through the EGLE Rural Electronic Recycling grant. We will be taking items twice a month.

### ACCEPTED ITEMS:

TV's, monitors, computer towers, desktop printers, laptops, tablets, cell phones, cables/cords/wires, radios, CD/DVD players, microwaves.  
Vacuums, hair dryers, and some other household electronics.

**Cost by weight for all electronics: \$0.75 per lb**

### SCHEDULE:

Monday, January 27th 9:00AM - 11:00AM

Thursday, January 30th 4:00PM - 6:00PM

Starting in February items will be accepted  
the first Thursday 4:00PM - 6:00PM &  
the third Monday 9:00AM - 11:00AM each month.

\*Businesses/organizations with large quantities should call to discuss pick options.
